Event information:

We welcome **ALL k-12 Paraprofessional educators** to join us **online** for this virtual event from **12:30PM-3:30PM CT** on **Monday August 19, 2024 or Tuesday August 20, 2024**

Participants will learn and practice ways to

Discover creative approaches to address different learning styles and individual needs.
Recognize potential to promote student agency.
Develop goal-setting techniques that inspire peak performance.

Building Student Success

As a dedicated paraeducator, you understand the crucial role paraeducators play in supporting student growth and achievement. After practicing these strategies, you will recognize a boost of confidence in your ability to help students work on their own, stay engaged, and express themselves, all while creating an inclusive classroom where everyone can thrive.
